Case No. 2:07-3186-RMG

**CLASS ACTION SETTLEMENT
AGREEMENT**

I. RECITALS

Plaintiff Kevin Brunson filed this lawsuit on September 20, 2007 in the United States District Court, District of South Carolina, Charleston Division. Plaintiffs Eunice Caro and Clifton Spann were added as parties by Amended Complaint filed on May 13, 2009. The Court granted Plaintiffs' Motion for Class Certification by Order filed on February 2, 2010.

The class representative Plaintiffs in this lawsuit represent owners of structures in the Subject Counties of South Carolina on which a trim product manufactured by the Defendants was installed. The trim product is referred to as TrimBoard. The class representatives allege that the TrimBoard manufactured by Defendants in Roaring River, North Carolina and installed on structures owned by the settlement class members in South Carolina has deteriorated and caused damage to the Trimboard and in some instances other parts of the structures. Plaintiffs allege that Defendants breached express and implied warranties applicable to TrimBoard, and seek money damages as a result.

Defendants deny all such allegations. Defendants assert that TrimBoard is appropriate for use as exterior trim, that the product is performing its intended function and that LP stands behind the product through the Warranty Claims Program. However, Defendants have agreed to enter into this Settlement in order to put to rest all controversy and to avoid the further expense of litigation, without in any way acknowledging any fault or liability on their part. Plaintiffs and Class Counsel recognize that there are significant legal and factual obstacles to a successful prosecution of this lawsuit, that it would involve time-consuming and lengthy proceedings to resolve them, and that the ultimate outcome would be uncertain.

In order to provide meaningful, immediate relief to the Class Members and to resolve through compromise in a fair, appropriate manner the many contentious legal and factual issues involved in this lawsuit, the class representative Plaintiffs, through Class Counsel, have

negotiated a TrimBoard compensation formula available to Class Members. This Settlement provides immediate payments to Class Members with Damaged TrimBoard.

This Settlement is for settlement purposes only. It has been entered into for the purpose of compromising and settling a disputed matter and is not an admission of a deficiency in the design or manufacture of TrimBoard.

NOW, THEREFORE, THIS SETTLEMENT is entered into this 23 day of November 2010, by and among (a) the Plaintiffs in this case, for themselves and on behalf of the Class Members as hereinafter defined; and (b) Defendants.

Subject to Court approval, it is hereby stipulated and agreed by the Parties that upon the entry by the Court of a Judgment approving the Settlement and directing its implementation, this Action shall be settled and compromised upon the terms and conditions set forth below.

II. DESCRIPTION OF THE CLAIMS-MADE SETTLEMENT PROGRAM

A. Definitions

1. **ABTco** means ABTco, Inc., Abitibi-Price, Inc., Abitibi-Price Corp., ABT Building Products Corp., all of their present or former parents, subsidiaries or affiliates, and/or all of their present or former directors, officers, employees, successors, agents and assigns.
2. **Action** means the case entitled Kevin Brunson, Eunice Caro, and Clifton Spann v. Louisiana-Pacific Corporation and ABT Building Products Corporation a/k/a ABTCO, United States District Court, District of South Carolina, Charleston Division, Case No. 2:07-3186-RMG.
3. **Claim** means a request for compensation for Damaged TrimBoard installed on a home, apartment, condominium, building or other structure under this Settlement.
4. **Claim Form** means the form submitted by a Class Member seeking payment under the Settlement. The Claim Form will be substantially the same as the document attached as Exhibit A to this Settlement.
5. **Claim Period** means the period within which Class Members may submit a Claim Form to Defendants to recover under the Settlement. The Claim Period for all Class Members will commence on the Settlement Date. For Class Members whose Installation Date is after September 20, 1997, the Claim Period will be 12 years from Installation Date, but all such Class Members will have a minimum of 12 months after the Settlement Date to file a Claim. Class Members whose Installation Date is before September 20, 1997, may file a Claim for Prior Unreimbursed Repairs if they are otherwise eligible, but such Class Members may not file any other Claim. For Class Members submitting a Claim for Prior Unreimbursed Repairs, the Claim Period for such claims will expire 12 months after the Settlement Date, irrespective of that Class Member's Installation Date. A

Claim shall be deemed “filed” or “submitted” as of the date of its postmark when mailed first class, registered or certified mail, postage prepaid and properly addressed to the Claims Adjuster or Class Counsel, or when delivered to any commercial one or two-day delivery service if properly addressed to the Claims Adjuster or Class Counsel, or when actually received by the Claims Adjuster or Class Counsel, whichever is first.

6. Claim Report means a written description of the results of the inspection including photographs prepared by the Claims Adjuster.

7. Claims Adjuster means personnel employed by or retained by Defendants to review, evaluate, calculate and pay Claims submitted by Class Members. Defendants may use a combination of employees and non-employees to provide the various functions required of the Claims Adjuster.

8. Claims Inspector means personnel employed by or retained by Defendants to inspect Claims submitted by Class Members. Defendants may use a combination of employees and non-employees to provide the various functions required of the Claims Inspector.

9. Claims Program means the process that Defendants will provide for evaluating and paying claims submitted by Class Members under the Settlement.

10. Class means the group of Persons composed of Class Members.

11. Class Counsel means Paul A. Dominick and Justin O’Toole Lucey.

12. Class Members means all Persons defined as follows:

All persons, firms, corporations and other entities which own homes, apartments, condominiums, buildings and other structures in the Subject Counties of South Carolina on which Defendants’ TrimBoard product is installed and any person who qualifies for Prior Unreimbursed Repairs, excluding any structure owned by any federal, state or local government, and any structure owned by Defendants or any of their subsidiaries, affiliates or employees.

The following Persons are not Class Members and are excluded from the Class:

a. All Persons who, in accordance with the terms of this Settlement, properly execute and timely file during the Opt-Out Period a request for exclusion from the Class;

b. All Persons represented by counsel who, individually or as members of a class, initiated legal proceedings in court or arbitration against LP that were resolved prior to the Notice Date by settlement, judgment, release, dismissal or other final disposition resulting in the termination of the proceedings against LP. Persons who resolved claims

under the Warranty Claim Program, but who did not file legal proceedings, will remain Class Members subject to the off-sets for prior payments as described in this Settlement.

13. Damage means, and is explicitly limited to, Excessive Swelling, Delamination or Decay. Damage does not include (i) intentional, reckless or negligent physical damage to TrimBoard resulting from mechanical force caused directly or indirectly by a Class Member or other Person; or (ii) damage to TrimBoard to the extent resulting from natural disaster including, but not limited to, fire, hurricane, flood, earthquake, earth movement, or other similar force majeure events.

14. Decay means TrimBoard that has deteriorated to the point that the surface or edge of the TrimBoard visibly deforms under moderate thumb or thumbnail pressure.

15. Defendants means LP and ABTco.

16. Delamination means a separation at the edge of the TrimBoard such that a feeler gauge of 0.025" thickness and one-half inch width can be inserted one-half inch into the suspected delaminated edge with moderate hand pressure.

17. Excessive Swelling refers to an aesthetic issue that qualifies as Damage. Where it is practical to take a physical measurement, Excessive Swelling means that the portion of the TrimBoard with Swelling measures 15% thicker than the portion of the TrimBoard without Swelling. Where it is not practical to take a physical measurement (i.e., the TrimBoard is not accessible), Excessive Swelling means TrimBoard with a deformation caused by swelling that is visible to the unaided eye and that a reasonable person deems to be an aesthetic problem on the home.

18. Threshold for Total Trim Replacement means the percentage of Damage at which all of the TrimBoard on the home will be treated as Damaged for purposes of calculating the Settlement Payment Amount. As explained below, in calculating the Threshold for Total Trim Replacement, the linear feet of TrimBoard with Damage on the entire house will be compared to the total linear feet of TrimBoard on the entire house.

19. Installation Date means the date on which the TrimBoard is deemed to have been installed for purposes of the Settlement. For TrimBoard installed as part of the original construction of the home, the Installation Date is the date on which the local building official issued the Certificate of Occupancy. For TrimBoard installed as a replacement for original trim, the Installation Date is the date established by reasonable proof such as a Certificate of Occupancy, contractor invoices, building permits, or other contemporaneous records, or a builder's affidavit or other reliable evidence.

20. **Judgment** means the Final Order and Judgment in a form substantially the same as Exhibit C to this Settlement.
21. **Long Form Settlement Notice** means a form substantially the same as the document attached as Exhibit D to this Settlement.
22. **LP** means LP Corp. and Louisiana-Pacific Corporation and all of their present or former parents, subsidiaries or affiliates, and/or all of their present or former directors, officers, employees, successors, agents and assigns.
23. **Notice Date** means the date on which the Settlement Notice is first published under the Notice Program.
24. **Notice Program** means the program described in Exhibit E to this Settlement.
25. **Opt-Out Period** means the 90-day period after the Notice Date during which time Class Members have the opportunity to request exclusion from the Class.
26. **Parties** means Defendants, Plaintiffs and Class Members.
27. **Person** means a person, corporation, association or other entity, and it includes the singular and plural.
28. **Piece** means TrimBoard installed in a single, continuous, un-cut segment on the subject home.
29. **Plaintiffs** means the three named plaintiffs designated to serve as class representatives in this action: Kevin Brunson, Eunice Caro, and Clifton Spann.
30. **Preliminary Approval Order** means an order executed by the Court in this Action prior to commencement of the Notice Program. The Preliminary Approval Order shall be substantially in the form of Exhibit F to this Settlement.
31. **Prior Unreimbursed Repairs** means the reasonably documented out-of-pocket expenses reasonably incurred by the Class Member (and not any collateral source such as the Class Members' insurance or builder) between December 1, 2001 and the Notice Date to repair or replace TrimBoard that had sustained Damage.
32. **Releasees** means Defendants, including their successors, parents, subsidiaries, divisions, or affiliates, and their officers, directors, stockholders, partners, agents, servants, successors, subrogees and assigns and their respective insurers.

33. Releasing Parties means any Person who met the definition of Class Member when this Action was pending or meets the definition of Class Member at the time his or her Claim is submitted and who did not timely opt out of the Action.

34. Settled Claim or Settled Claims means every claim, action, cause of action, liability, right, demand, suit, matter, obligation, damage, loss or cost, including consequential damages and any claim for other damages, losses or costs, of every kind and description, that the releasing parties now have, have had in the past or may have in the future against any of the Defendants arising out of the subject matter of the Action, whether known or unknown, asserted or unasserted, which if known to the Releasing Parties would have materially affected their settlement with the Releasees and which accrue or have accrued as a result of having Defendants' TrimBoard on the Releasing Parties' property. Without limiting the scope of the foregoing, "Settled Claims" shall include:

- a. property damage to Class Members' TrimBoard or to the structure on which the TrimBoard is installed or to any surrounding property resulting from TrimBoard;
- b. any claim for breach or violation of or for benefits conferred by any federal, state, common or other law or statute, regulation or ordinance relating to TrimBoard;
- c. any claim for breach of any duty imposed by law, by contract or otherwise, including, without limitation, breach of warranty (express or implied) or any other contract, promissory or equitable estoppel or principles of unjust enrichment relating to TrimBoard;
- d. any claim based on principles of tort law or other kind of liability, including without limitation, those based on principles of strict product liability, negligence, reliance, racketeering, fraud, conspiracy, concerted action aiding and abetting, veil-piercing liability, alter-ego or successor liability, consumer fraud, negligent misrepresentation, intentional misrepresentation, or other direct or derivative liability relating to TrimBoard;
- e. any claim related to alleged defects or inadequacies in the design, manufacture, advertising, product literature, sale, distribution or marketing of TrimBoard;
- f. any claim for declaratory or injunctive relief associated with the above;
- g. any claim for diminution in value of or consequential or collateral damage including, but not limited to, claimed damage to the TrimBoard or to any component of the structure on which the TrimBoard is installed or to any surrounding property;

h. any claim for emotional damages, mental anguish, or similar claim arising out of Damage to the TrimBoard or because of the installation of the TrimBoard on the property; and

i. any claim for penalties, punitive damages, exemplary damages, or any claim for damages based upon a multiplication of compensatory damages associated with the above.

35. Settlement means this settlement agreement and the rights and obligations described within it.

36. Settlement Date means the date on which all of the following have occurred: (a) the entry of the Judgment without material modification, and (b) the Judgment becomes final and non-appealable through (i) the expiration of the allowable appeal periods without an appeal having been filed; (ii) final affirmance of the Judgment on appeal, or final dismissal of all such appeals with prejudice, or denial of all such appeals, including petitions for review, rehearing or certiorari.

37. Settlement Notice means a form substantially the same as the document attached as Exhibit G to this Settlement.

38. Settlement Payment Amount means the amount paid by Defendants on a Claim under the Settlement.

39. Side Threshold means the percentage of Damage at which all of the TrimBoard on a single side of the home will be treated as Damaged for purposes of calculating the Settlement Payment Amount for that side of the home. As explained below, in calculating the Side Threshold, the linear feet of TrimBoard with Damage on *only* that side of the house will be compared to the total linear feet of TrimBoard on *only* that side of the house.

40. Subject Counties means the following counties in South Carolina: Aiken, Lexington, Richland, Kershaw, Chesterfield, Marlboro, Barnwell, Orangeburg, Calhoun, Sumter, Lee, Darlington, Dillon, Marion, Florence, Clarendon, Bamberg, Allendale, Hampton, Jasper, Beaufort, Colleton, Dorchester, Berkeley, Georgetown, Williamsburg, or Horry.

41. Subsequent Claims means claims submitted under Paragraph II(E) of this Settlement for TrimBoard for which compensation has not been previously paid.

42. Swelling means a change in thickness resulting from exposure to moisture after installation. Swelling that is not Excessive Swelling is not compensable. Swelling that progresses to Excessive Swelling is compensable under the Settlement.

43. TrimBoard means any and all material (including, without limitation: trim, soffit, fascia, lattice, fencing, handrails, vents, risers and stringers) manufactured by Defendants at the Roaring River plant as trim and sold as "TrimBoard,"

“ChoiceTrim,” “ProTrim,” or “Trim”, at any time up to and including March 2008. TrimBoard does not include siding used as trim.

44. Unauthorized Claim Brokers means entities or individuals who are engaged in the business of filing or pursuing claims under this or any other class action settlement or who enter into a contract, power of attorney or similar document with any Class Member under which the Class Member agrees to pay a fee for recovery of a Settlement Payment Amount.

45. Warranty Claims Program means the ABTco TrimBoard warranty claim program that was in effect prior to this Settlement and was provided by Louisiana-Pacific Corporation Warranty Technical Services to address TrimBoard claims in the Subject Counties.

B. Timing of Rights and Obligations. The Settlement will proceed as follows:

1. Following the execution of the Settlement, the Parties shall jointly seek preliminary approval of the Settlement and the Notice Program.
2. As soon as practical after execution and filing of the Preliminary Approval Order, Defendants shall provide notice to the Class Members consistent with the Notice Program.
3. After completion of the Notice Program, the Parties will jointly request that the Court grant final approval of the Settlement and enter the Judgment.
4. Upon the Settlement Date, Defendants will begin the Claims Program. Defendants may, in their sole discretion, elect to implement this Settlement prior to the Settlement Date.
5. When a Class Member’s Claim Period expires, the Claims Program will end for that Class Member, and the Class Member will no longer be permitted to submit a Claim. However, the Release and other obligations under the Settlement will remain in effect.

C. The Claims Program. Commencing on the Settlement Date, Defendants will provide the Claims Program to Class Members during the Class Members’ respective Claim Period. The Claims Program will consist of the following process:

1. All Claim Forms must be signed by the Class Member who owns the Claim. Only a Person who meets the definition of Class Member at the time the Claim is submitted may pursue a Claim. Only Class Members may submit a Claim Form to Defendants. All Settlement Payment Amounts will be paid to the Class Member in the form of a check made out to Nexsen Pruet, LLC and sent to the offices of Nexsen Pruet, LLC.
2. The Parties agree that the Claims Program, including the Claim Form itself, is designed to be simple to understand and easy to complete. Class Members are

adequately represented by Class Counsel, and both Class Counsel and the Claims Adjuster will assist Class Members in completing the process, if necessary. The Claims Adjuster will not accept Claim Forms from anyone other than a Class Member or Class Counsel. In particular, the Claims Adjuster will not accept Claim Forms from Unauthorized Claim Brokers. Nothing herein is intended to prevent Class Counsel from assisting or acting on behalf of Class Members in the claims process.

3. Class Members will complete a Claim Form. The Claim Form will include proof of the following:

a. the Persons signing the Claim Form are Class Members (i.e., the Persons own the home which is the subject of the claim and the trim currently installed on the home is TrimBoard); and

b. the Persons signing the Claim Form own all claims relating to the TrimBoard and have the responsibility and authority to act on such claims on behalf of all other owners of such claims (e.g., no other Person owns all or part of the Claim and the Class Member has not transferred or released his claims relating to the TrimBoard); and

c. the amount that the Class Member has previously been paid from any source for repair or replacement of TrimBoard; and

d. the linear feet of TrimBoard installed on each Side of the house (if the Class Member already has this information); and

e. for Claims regarding TrimBoard currently on the house, photographic evidence of the existence of *some* Damage to TrimBoard, or new Damage to TrimBoard in the case of Subsequent Claims and claims that were inspected under the Warranty Claims Program; and

f. the Claim Period has not expired (i.e., evidence of the Installation Date.)

4. The Class Members will sign the Claim Form verification, verifying all of the information provided.

5. Class Members will submit the completed Claim Forms to the Claims Adjuster. All Claims shall be submitted by Class Members themselves. Claims submitted by any Person other than Class Members will be directed to Class Counsel, and such Claims will not be processed or paid until they are submitted by the appropriate Class Member.

6. If a Class Member's designee, such as a third-party claim filing organization, attorney, or designee under a power of attorney, contacts Defendants regarding Damage to TrimBoard during the applicable Claim Period, the Claims

Adjuster will provide the Class Member with a copy of this Settlement Agreement and/or with contact information for Class Counsel.

7. The Claims Adjuster will review the Claim Form to determine whether the required information is complete. If the Claim Form is deemed incomplete, the Claims Adjuster will notify the Class Member of any deficiency. Class Members will remedy any agreed upon deficiency in the information provided as required in the Claim Form and attempt to resolve any disputed deficiency with the Claims Adjuster. Email is the preferred method of communication. To assist with tracking, email communication should include prior emails in the chain.

8. When the information required by the Claim Form has been provided to the Claims Adjuster and the Claims Adjuster deems the Claim Form complete, the Claims Adjuster shall initiate an inspection of the TrimBoard on the Class Member's home by the Claims Inspector, subject to paragraph 10, below. The Class Member shall provide safe access to the TrimBoard on the home for the inspection.

9. The Class Member shall indicate on the Claim Form whether the Class Member requires that the inspection take place while the Class Member is present. If the Class Member requires that he or she be present, then the Claims Inspector shall coordinate an inspection time convenient for both the Claims Inspector and the Class Member.

10. In inspecting the Class Member's home, the Claims Inspector shall apply the definitions of Damage contained in this Settlement.

a. Damage to any portion of a continuous piece of TrimBoard will be deemed Damage to the entire piece.

b. If the condition of TrimBoard meets the definition of Damage, that Damage will not be subject to other exclusions or limitations. All TrimBoard with Damage is compensable under the Settlement.

c. The Claims Adjuster will apply the Threshold for Total Trim Replacement as follows: where 35% of the TrimBoard is Damaged on a house, the Claims Adjuster will pay the Settlement Payment Amount as if all of the TrimBoard on the house had Damage. For purposes of this paragraph, the percentage of Damage will be calculated as follows: the linear feet of all of the pieces of TrimBoard with some Damage on the entire house divided by the linear feet of all of the TrimBoard on the house.

d. Where the Threshold for Total Trim Replacement is not satisfied, the Claims Adjuster will apply the Side Threshold as follows: where 35% of the TrimBoard is Damaged on one side of a house, the Claims Adjuster will pay the Settlement Payment Amount as if all of the TrimBoard on that side of the house had Damage. For purposes of this paragraph, a house has four sides: front, back, left side and right side. The amount of TrimBoard on a

side is all of the TrimBoard on the house facing the direction that the side faces. For purposes of this paragraph, the percentage of Damage will be calculated as follows: the linear feet of all of the pieces of TrimBoard with some Damage on that side alone divided by the linear feet of all of the TrimBoard on that side alone.

11. The Claims Adjuster may, in its sole discretion, determine that the information submitted with the Claim Form provides a sufficient basis for offering a Settlement Payment Amount to the Class Member. If the Claims Adjuster makes that determination, the Claims Adjuster may forego the inspection and send Class Counsel the Settlement Payment Amount with an explanation of how it was calculated. If the Settlement Payment Amount covers less than all of the Damage claimed in the Claim Form, the Class Member may reject the offer and demand an inspection by the Claims Inspector.

12. The Claims Adjuster will report the findings from the inspection by email to the Class Member and to Class Counsel. The Claim Report will provide the following: (1) the Settlement Payment Amount; (2) the amount of TrimBoard in linear feet determined to be compensable under the Settlement; (3) photographic documentation of the TrimBoard that the Claims Adjuster determined to be Damaged; and (4) an explanation of the calculation of the Settlement Payment Amount. The Claims Adjuster will provide a copy of the Claim Form and all supporting documentation to Class Counsel.

13. If a Claim submitted in the final year of the applicable Claim Period results in a determination of Damage to some TrimBoard at issue in the Claim, but less than the Threshold for Total Trim Replacement, Defendants shall in their sole discretion elect between:

a. Paying the Claim using a Settlement Payment Amount as if all of the TrimBoard had Damage (i.e., the total linear feet of TrimBoard on the home times \$13, less any credit for prior payments); or

b. Paying the Claim using a Settlement Payment Amount based on the linear feet of TrimBoard found to have Damage and granting a one-year extension of the Claim Period for that Class Member.

This Paragraph 13 does not apply to the one-year extension of the Claim Period under paragraph b, above. In other words, Paragraph 12 is only applied one time: in year 12 of the 12-year Claim Period.

14. The Settlement Payment Amount will be calculated as follows.

a. Where application of the Settlement results in a determination that the Class Member will be compensated for Damage to TrimBoard on the home, the Settlement Payment Amount shall be calculated at the rate of \$13 per linear foot.

b. In all cases where the Threshold for Total Trim Replacement has not already been met, Defendants may elect to conclude their Settlement obligations to a Class Member by paying the Settlement Payment Amount of the total linear feet of TrimBoard on the home times \$13 (i.e., as if all of the TrimBoard had Damage). Defendants' election to pay the Claim as if all of the TrimBoard on the home had Damage may be made at any stage in the process at Defendants' sole discretion.

c. TrimBoard for which Defendants previously paid under the Settlement, the Warranty Claim Program, a prior settlement or otherwise may not be the subject of a Claim. Any such TrimBoard will be excluded from consideration by the Adjuster in determining the Settlement Payment Amount. Claims made by a Class Member who has previously submitted a claim under the Warranty Claim Program must be supported by Damage that was not compensated under the Warranty Claim Program. If a Class Member makes a Claim, and it is determined that the Class Member had previously been compensated for all of the Damage, the Class Member will be responsible for either: (a) the actual cost of the inspection incurred by Defendants where Defendants use an outside inspection firm; or (b) \$150 where Defendants perform the inspection internally, subject to an annual adjustment agreed to between Class Counsel and Defendants or by the Court. To the extent a Class Member does not already have documentation of the Damage previously compensated, the Class Member may request a copy of such existing documentation from Defendants prior to submitting a Claim Form.

d. Where a Class Member has received compensation from a third party relating to the TrimBoard which is the subject of the Claim, and Defendants demonstrate that some or all of that compensation covers the cost of replacing TrimBoard that is subject to the Claim, Defendants shall receive a credit for that portion of the compensation. The Claims Adjuster shall apply this credit to the Settlement Payment Amount before sending payment to Class Counsel.

e. Beginning one year after the Settlement Date, the Claims Adjuster will adjust the price factor (\$13 per linear foot) annually thirty days after the Annual National Consumer Price Index adjustment is published, in accordance with the percent change from the prior year for "All items" in the Consumer Price Index for All Urban Consumers.

15. If the Class Member agrees with the Claims Adjuster's determination of the Settlement Payment Amount, that Class Member shall notify the Claims Adjuster promptly that the Settlement Payment Amount is accepted. Upon receipt of that acceptance, the Claims Adjuster will mail a check to Class Counsel at the office of Nexsen Pruet, LLC. Class Counsel will then pay the Settlement Payment Amount to the Class Member less any fees and expenses that Class Counsel is authorized to deduct.

16. If a Class Member notifies the Claims Adjuster that the Class Member is in the process of selling the house and provides evidence of that fact, the Parties will work together in good faith to expedite the Claim. If a Class Member provides evidence of other extenuating circumstances warranting an expedited claim, the Claims Adjuster, in its sole discretion and after review of such evidence, may work with the Class Member to expedite the claim.

17. If a Class Member does not agree with the Claims Adjuster's determination of the Settlement Payment Amount, the Class Member or Class Counsel shall notify the Claims Adjuster of the dispute within thirty (30) days after receipt of the Claim Report. By accepting the Settlement Payment Amount or by failing to notify the Claims Adjuster within thirty (30) days, Class Counsel and the Class Member accept the findings of the Claims Adjuster and release Defendants from their obligations consistent with the terms of the Settlement with respect to the TrimBoard addressed in the Claim Report. Should Class Counsel notify the Claims Adjuster of a dispute within 30 days, the dispute shall be handled in accordance with Paragraph VI below.

18. After the Claims Program has been in operation for 120 days, the following deadlines apply:

- a.** the Claims Adjuster has on average 20 days after receipt of a Claim Form to notify Class Members of any deficiency;
- b.** the Claims Adjuster has on average 20 days after completion of the Claim Form to instruct the Claims Inspector to schedule an inspection;
- c.** if the Class Member does not request to be present, the inspection will be conducted on average within 45 days from the instruction to inspect;
- d.** the Claims Adjuster will provide the Claims Report to Class Members and Class Counsel on average within 20 days of the inspection;
- e.** where the Claims Adjuster proves that a delay in the process was attributable to causes outside of its control, the above deadlines shall not apply to the delay period;
- f.** Claims submitted within the 120-day grace period will be processed expeditiously and, in any event, no later than as if they were submitted on the day following the end of the 120-day grace period.

D. Claims for Prior Unreimbursed Repairs

1. If a Class Member, during the applicable Claim Period but prior to the Notice Date and without knowledge of the Settlement, incurred expenses for repair or replacement of TrimBoard, the Class Member may seek reimbursement for such expenses by submitting a claim to the Claims Adjuster. Only a Person who met the definition of Class Member at the time the Prior Unreimbursed Repairs were made may pursue a Claim for Prior Unreimbursed Repairs. Any such Claim for Prior Unreimbursed Repairs must be submitted within the one-year period specified in the definition of Claim Period, above.
2. Entitlement to compensation under a Claim for Prior Unreimbursed Repairs shall be based on the Settlement Payment Amount that would have been determined by an inspection conducted on the day before the repairs were made.
3. A Class Member submitting a Claim for Prior Unreimbursed Repairs is required to provide reasonable evidence of the same elements that would be necessary to recover a Settlement Payment Amount for TrimBoard currently on the building. Such a Class Member must provide the information required by the Claim Form and reasonable evidence of the quantity of Damaged TrimBoard at the time of the repair.

E. Subsequent Claims

1. Class Members may submit Subsequent Claims for Damage to TrimBoard that was not determined to have Damage in any prior Claim. Only a Person who meets the definition of Class Member at the time the Subsequent Claim is submitted may pursue a Subsequent Claim.
2. Subsequent Claims will be limited to: a total of 4 Claims under the Settlement and no more than 1 Claim in any 12 month period.
3. In calculating the Threshold for Total Trim Replacement and the Side Threshold in a Subsequent Claim, the Claims Adjuster shall consider all prior claims. The linear feet of TrimBoard with Damage in prior claims (including both Claims made pursuant to this Settlement and claims made through the Warranty Claims Program) will be added to the linear feet of TrimBoard with Damage in the pending Claim. The linear feet of TrimBoard that did not have Damage but for which compensation was previously paid based on a Side Threshold award will not be included as TrimBoard with Damage for the purpose of calculating the Threshold for Total Trim Replacement, unless it has since suffered damage.
4. The Claims Adjuster may, at its sole discretion, determine that all of the remaining TrimBoard on the home will be treated as Damaged for purposes of determining the Settlement Payment Amount.

F. Unclaimed Settlement Payment Amounts.

1. In the event that any Class Member fails to cash his claim check within 120 days of mailing by Class Counsel, such un-cashed amounts will be returned to Defendants.
2. Each year on or before May 1st, Class Counsel will provide a report to Defendants identifying each check from Class Counsel to a Class Member that remains un-cashed from the prior year, its amount, and the date on which it was sent to the Class Member.

III. RELEASES

A. Upon entry of the Judgment, each Class Member who has not timely opted out shall, on behalf of him/herself and any Person claiming by or through him/her as his/her heir, administrator, devisee, predecessor, successor, representative of any kind, shareholder, partner, director, owner or co-tenant of any kind, affiliate, subrogee, assignee, or insurer (the “Releasing Parties”), and regardless of whether any Class Member executes and delivers a written release, be deemed to and does hereby release and forever discharge Defendants, and all of their present and former divisions, predecessors, affiliates, subordinates, parents and all of their present or former directors, officers, attorneys, employees, servants, agents, successors, assigns, subsidiaries and insurers (including co-insurers and re-insurers) solely with regards to policies held by Defendants (all the foregoing parties being referred to as “Releasees”), of and from any and all Settled Claims and related subrogation claims of the Releasing Party’s subrogees or insurance carriers not protected from waiver of subrogation by the provisions of applicable insurance policies (or assigned or subrogated prior to final approval of this Agreement and not subject to compromise or settlement by the policyholder), except as may otherwise be provided in this Agreement.

B. The Releasing Parties specifically release and forever discharge any other Person from any and all claims that arise out of TrimBoard on the property of a Releasing Party to the extent such claims are based on alleged defects or inadequacies in the design, manufacture, advertising, product literature, sale, distribution or marketing of TrimBoard, all of which claims have been compromised and settled in their entirety by Defendants under the terms of this Settlement.

C. If any Releasing Party brings an action or asserts a claim against a Releasee contrary to the terms of this Release, the counsel of record for such Releasing Party shall be provided with a copy of this Settlement. If such Releasing Party does not within thirty (30) days thereafter dismiss his or her action or claim and the action or claim is subsequently dismissed or decided in favor of the Releasee, the Releasing Party shall indemnify and hold harmless the Releasee from any and all costs and expenses, including reasonable attorney’s fees, incurred by the Releasee in the defense of the action or claim.

D. Settled Claims shall not include (a) any claim for bodily injury (including wrongful death) or (b) claims for pain and suffering, emotional distress, mental anguish, or similar injuries associated with such bodily injury to the extent allowed by law.

IV. NOTICE OF PROPOSED CLASS ACTION SETTLEMENT

A. Defendants will pay for implementation of the Notice Plan. Plaintiffs may provide additional notice at their own expense. The Parties agree and hereby stipulate that the Notice Plan appropriately and adequately informs Class Members of their rights and obligations under the Settlement. Accordingly, any additional publication or public communication relating to the Settlement must be approved by all Parties prior to dissemination. Where Class Counsel seeks to publish a communication not previously approved by Defendants, Class Counsel will provide a draft of the communication to Defendants for review. If Defendants object to the communication within 10 business days of receipt, Class Counsel may petition the Court for approval to disseminate the communication over Defendants' objection. Defendants' consent will not be unreasonably withheld.

B. The Parties agree that the distribution of notice substantially in the manner and form set forth in the Notice Plan meets the requirements of Rule 23, and constitutes due and sufficient notice to all persons entitled thereto, that such notice is the best practicable notice under the circumstances of this case.

C. Defendants, Plaintiffs, and Class Counsel on behalf of the Class Members agree and hereby stipulate that the Notice Plan satisfies due process and that the Settlement is binding upon all Class Members regardless of whether any individual Class Member received actual notice.

V. FEES, COSTS AND EXPENSES

A. Other than as expressly provided in this Settlement, the Parties will each bear their own fees, costs and expenses.

B. Each named representative Plaintiff will receive a \$5,000 stipend paid by Defendants. Aside from these payments, Defendants shall have no obligation to pay Class Counsel or Plaintiffs for time or expenses incurred in the Action or in satisfying their obligations under the Settlement.

C. Class Counsel represent that they are employed by the class representative Plaintiffs on a one-third contingency basis. Class counsel will be compensated out of each Class Member's recovery at the time each Claim is paid.

VI. DISPUTE RESOLUTION

A. Any disputes that arise out of the Settlement may be submitted by Defendants or Class Counsel to the Court in this Action for final, binding resolution.

B. In the event that any Class Member disagrees with the Settlement Payment Amount, the Class Member must challenge the Settlement Payment Amount to the Claims Adjuster within thirty (30) days of the email transmission date of the Claim Report (or within thirty-five (35) days of the postmark date if sent by mail). In the event of a challenge, the Class Member and the Claims Adjuster shall exchange all materials regarding the Claim, including any photographs and the Claim Form.

1. If the Class Member does not challenge the Settlement Payment Amount within 30 days of email transmission (or within 35 days of mailing) of the Claim Report, then the initial determination of the Claim by the Claims Adjuster shall be final and may not be appealed to the Court or any other Person.

2. If the Class Member wishes to appeal the determination of the Claims Adjuster, the Class Member will notify the Court in writing and provide all of the materials exchanged during the meet and confer period. An appeal to the Court cannot be initiated until 60 days after the Class Member has provided a written description of the dispute and any evidence supporting the Class Member's position to the Claims Adjuster.

C. Before any dispute may be submitted to the Court, the party intending to submit the dispute shall make a good faith effort to resolve the dispute. At a minimum, this good faith effort shall include providing the other side with a written description of the dispute and attempting to confer with the other side in an attempt to resolve the matter. Except in the case of emergency, a party shall not submit any dispute to the Court until 60 days after providing the other side with a written description of the dispute.

D. If the dispute is not resolved by the Parties, it may be submitted to the Court for final, binding resolution. Fifteen (15) days prior to the Court hearing, the parties must exchange all evidence that may be presented to the Court. Any evidence not produced by the parties prior to that time may not be presented to, or considered by, the Court.

E. Where the dispute reasonably requires an appearance before the Court, the Parties shall schedule a hearing at a mutually convenient date and time. Where the dispute reasonably requires submission of briefs to the Court, the Parties shall agree upon a schedule for such briefing.

F. In the event of a breach by Class Members or Defendants under this Settlement, the Court may exercise all equitable powers over the breaching Party(ies) to enforce this Settlement and the Judgment irrespective of the availability or adequacy of any remedy at law. Such powers include, among others, the power of specific performance, contempt and injunctive relief.

G. The Party asserting a violation of the Settlement shall bear the burden of proving the violation. In any dispute brought to the Court for resolution, the Parties shall act in good faith. If the Court determines that any motion or opposition was not made in good faith, the Court shall award as sanctions against the Party not acting in good faith the reasonable attorneys' fees and expenses incurred by the prevailing Party.

VII. CLASS MEMBERS' RIGHT OF EXCLUSION; DEFENDANTS' RIGHT OF TERMINATION

A. A Class Member may opt out of the Class during the Opt-Out Period. To exercise the opt-out right set forth in this paragraph, the Class Member must complete, sign, and return a request for exclusion. The request must be signed by the Class Member and must state the address of the property(ies) on which TrimBoard has been installed and the number of units covered by the opt-out. Such request must be postmarked on or before the end of the Opt-Out Period and sent to Class Counsel. Any Class Member who elects to opt out of the Class pursuant to this paragraph shall not be entitled to relief under or be affected by the Settlement. Class Counsel may contact opt-outs to assure that the opt-outs understand the effect of their election. Class Members who elect to opt-out of the Class may withdraw their opt-out requests only if they accept the benefits, obligations and terms of this Settlement and dismiss with prejudice and release any other pending action or proceeding against LP, if any, arising from or related to TrimBoard.

B. To the extent that the statutes of limitations and/or repose or any defense of lapse of time are tolled by operation of law, they will continue to be tolled as to any Class Member who opts out of the Settlement until thirty (30) days after receipt of the request to opt out or for such longer period as the law may provide without reference to this Settlement.

C. In the event that, in the sole discretion of LP, the number of Class Members requesting exclusion reaches a level that in their judgment threatens to frustrate the essential purpose of this Settlement, LP may elect unilaterally to terminate this Settlement by so notifying Class Counsel and the Court, not less than ten (10) days prior to the date set for the fairness hearing.

D. The performance of this Settlement is expressly contingent upon the Court's issuance of the Judgment. If the Court issues an order disapproving the Settlement, either party may elect to terminate this Settlement within ninety (90) business days of such order, rendering it as having no force or effect whatsoever, null and void, *ab initio*, and not admissible as evidence for any purpose in any pending or future litigation or other proceeding (in any jurisdiction) involving any of the Parties.

E. In the event this Settlement is terminated as provided within this Settlement, or the Judgment for any reason is not entered, the Action shall proceed as if no Settlement had ever existed and LP shall not have waived any and all rights it might have to challenge class certification, and to defend the allegations in the Action and the legal position of each Party shall be the same as it was immediately prior to the execution of this Settlement; and each Party may exercise its legal rights to the same extent as if this Settlement never had been executed.

VIII. MISCELLANEOUS PROVISIONS

A. The terms and conditions of this Settlement shall constitute the sole and exclusive remedy for any and all Settled Claims of Class Members against Defendants; and upon entry of the Judgment by the Court, each Class Member shall be barred from initiating, asserting or prosecuting any Settled Claims against Defendants.

B. From and after the entry of the Judgment, no action or proceeding may be brought by any Person on behalf of a Class Member in which any Settled Claim is asserted or the subject of inquiry; nor may any Class Member commence or remain a member of a class action or be the beneficiary of any state or federal proceeding in which any of the Settled Claims is asserted against any of the Defendants or is the subject of inquiry.

C. The United States District Court for the District of South Carolina, Charleston Division, shall retain exclusive and continuing jurisdiction of the Action, all Parties and Class Members, to interpret and enforce the terms, conditions, and obligations of this Settlement, including any question regarding the proper administration of the Settlement.

D. The Parties agree and hereby stipulate that neither the execution of this Settlement, nor any of its provisions or attachments, nor any action taken pursuant to its terms shall be admitted in this or any other action or proceeding as evidence or construed as an admission by either Party of the validity of any claim or of any defense or of any facts alleged in this or any other action. The Parties further agree and stipulate that this Settlement shall not constitute, and shall not be construed as, an admission on the part of Defendants that this lawsuit, or any other proposed or class action, is appropriate for certification as a litigation class pursuant to Federal Rule of Civil Procedure 23, South Carolina Rule of Civil Procedure 23, or any similar state or federal class action statute or rule. This Settlement, however, may be admitted as evidence in any action to enforce its terms.

E. Defendants represent and warrant that (i) they have all requisite corporate power and authority to execute, deliver, and perform this Settlement and to consummate the transactions contemplated hereby, (ii) the execution, delivery, and performance of this Settlement and the consummation by it of the actions contemplated herein have been duly authorized by all necessary corporate action on the part of such Defendants; (iii) their signatories to the Settlement have full authority to sign on behalf of and to bind such Defendants to the terms of the Settlement, and (iv) this Settlement has been duly and validly executed and delivered by such Defendants and constitutes their legal, valid and binding obligation.

F. This Settlement has been negotiated at arm's length by Class Counsel and counsel for the Defendants. If a dispute should later arise regarding any of its terms, no Party shall be deemed to be the drafter of any particular provision of the Settlement; and no part of the Settlement shall be construed against any Party. The Parties further acknowledge and agree that the obligations and releases contained in the Settlement are fair and reasonable in the context of the compromises negotiated.

G. This Settlement shall be construed under and governed by the laws of the State of South Carolina, applied without regard to its laws applicable to choice of law.

H. This Settlement, including all attached Exhibits, shall constitute the entire agreement among the Parties with regard to the subject matter of this agreement and shall supersede any previous agreements and understandings between the Parties. This Settlement may not be changed, modified, or amended except in writing signed by Class Counsel and Defendants' counsel and subject to Court approval. The Parties contemplate that the Exhibits may be modified by subsequent agreement of counsel for all Defendants and Class Counsel prior to use.

I. This Settlement may be executed by the Parties in one or more counterparts, each of which shall be deemed an original but all of which together shall constitute one and the same instrument.

J. This Settlement, if approved by the Court, shall be binding upon and inure to the benefit of the Class, the Parties, and their representatives, heirs, successors, and assigns.

K. Each Class Member who files a Claim under the Settlement and does not repair or replace the TrimBoard for which a Settlement Payment Amount was made shall advise any direct, subsequent purchaser of the property in writing of the existence of this Settlement and the amount of the Settlement Payment Amount.

LONG FORM SETTLEMENT NOTICE

LEGAL NOTICE

U.S. District Court for the District of South Carolina, Charleston Division

If You Own or Owned a Home or Other Building on Which LP or ABTco TrimBoard, ProTrim or ChoiceTrim Is or Was Installed.

Please Read This Legal Notice Carefully, Your Legal Rights May Be Affected.

- There is a proposed settlement of litigation concerning manufactured wood composite trim known as “TrimBoard”, “Pro Trim”, “Choice Trim” and “Trim.” This notice refers to all of these products as TrimBoard. The proposed settlement affects a “class” or group of people that may include you.
- The proposed settlement involves members of the **Class**, which includes: **All persons, firms, corporations and other entities which own homes, apartments, condominiums, buildings and other structures in the Subject Counties of South Carolina on which Defendants’ TrimBoard product is installed and any person who qualifies for Prior Unreimbursed Repairs**, excluding any structure owned by any federal, state or local government, and any structure owned by Defendants or any of their subsidiaries, affiliates or employees. The Class does not include people who asked to be excluded prior to February 11, 2011.
- The **Subject Counties** covered in this proposed settlement include the following counties in South Carolina: Aiken, Lexington, Richland, Kershaw, Chesterfield, Marlboro, Barnwell, Orangeburg, Calhoun, Sumter, Lee, Darlington, Dillon, Marion, Florence, Clarendon, Bamberg, Allendale, Hampton, Jasper, Beaufort, Colleton, Dorchester, Berkeley, Georgetown, Williamsburg, and Horry.
- **The class includes property owners who have replaced their TrimBoard.**
- **If you are a member of the Class, this notice concerns a proposed settlement of claims and affects your rights.**

The legal rights and options of members of the Class are explained below. **You should read this notice carefully and make sure that you understand the rights and options available to you.**

IF YOU ARE A CLASS MEMBER:

Your Legal Rights and Options		Due Date
Do Nothing	If the Court approves the proposed settlement, you will be given the opportunity to fill out a claim form to get a payment from the Claims Program.	
Object to the Proposed Settlement	You can write to the Court to explain why you don't like the proposed settlement. For important details on how to object properly, please see paragraph 17.	February 18, 2011
Go to the Hearing	If you file a timely objection to the proposed settlement, you may speak at the Hearing when the Court considers the fairness of the proposed settlement. See paragraphs 18 and 19 of this notice.	March 4, 2011

- These rights and options — and the deadline for each — are explained in this notice.
- Although the Court has preliminarily approved the proposed settlement, the Court still has to decide whether to give final approval to the proposed settlement.

WHAT IS THIS NOTICE ABOUT?**1. Why has this notice been issued?**

Before the Court decides whether to give final approval to the proposed settlement, you have a right to know about:

- The proposed settlement of this class action, and
- All of your options.

This notice explains:

- The lawsuit,
- The proposed settlement, and
- Your legal rights.

2. What is the lawsuit about?

This class action lawsuit is brought by Kevin Brunson, Eunice Caro and Clifton Spann (“Plaintiffs”) against Louisiana-Pacific Corporation and ABT Building Products Corporation, a/k/a ABTCo (“Defendants”). Defendants engaged in the business of designing, manufacturing and supplying exterior composite wood trim sold under the names “TrimBoard”, “ProTrim” or “Choice Trim.”

If you have questions about this notice, please visit: www.lptrimboardsouthcarolina.com or www.nexsenpruet.com or www.lukey-law.com, or write to Class Counsel at the address contained in this notice.

In their Complaint, Plaintiffs allege that the trim product supplied by the Defendants, and installed on buildings in the Subject Counties was and is defective, thus breaching express and implied warranties. Plaintiffs allege that a defect in the trim product causes premature deterioration and other problems, when subjected to normal conditions.

Defendants have denied that TrimBoard is defective and have asserted several affirmative defenses. Defendants further assert that they are addressing homeowner concerns fairly and reasonably in accordance with the warranty for the product. Defendants believe that the TrimBoard product has performed as warranted where installed in accordance with the application instructions and maintained. Defendants deny that they did anything wrong. The Court has not ruled on the merits of the Plaintiffs' claims or on defenses asserted by the Defendants.

The lawsuit was filed in the United States District Court, Charleston County. It is called Kevin Brunson, Eunice Caro, and Clifton Spann v. Louisiana-Pacific Corporation and ABT Building Products Corporation a/k/a ABTCO, Case No. 2:07-3186-RMG.

3. What is a class action?

In a class action, one or more person(s), called the “class representative(s),” sue on behalf of a group of people who have similar claims and are known as the class members. A court then resolves the issues for all class members, except for those who have excluded themselves from the class.

THE BACKGROUND OF THE LAWSUIT AND PROPOSED SETTLEMENT

4. What has happened in the lawsuit so far?

Plaintiff Kevin Brunson filed this lawsuit on September 20, 2007 in the United States District Court, District of South Carolina, Charleston Division. Plaintiffs Eunice Caro and Clifton Spann were added as parties by Amended Complaint filed on May 13, 2009. The Court granted Plaintiffs' Motion for Class Certification by Order filed on February 2, 2010. Thus, if you own or owned a building in one of the Subject Counties clad with this trim product, you are a member of the class involved in this lawsuit. Certification of the class does not mean that the Court has decided that Plaintiffs' claims are valid. Rather, the ruling means the final outcome of this lawsuit will apply in the same way to every class member who remains in the class.

The District Court approved a Notice Plan to Class Members on November 23, 2010. Notice is being provided by publication in various newspapers, as well as by direct mailings to addresses made available through Defendants' Warranty Claims files. The opt-out deadline is February 11, 2011. The outcome of this lawsuit will not apply to people who ask to be excluded from the class prior to that date.

5. Why is there a Proposed Settlement?

Both sides have agreed to a settlement to avoid the risks and costs of further litigation. This further litigation would have included more discovery and motions, a class trial, and defending any verdict on appeal, a process which would have taken several years and presented a number of risks. The parties engaged in extensive arms-length settlement negotiations with the assistance of one of the Judges responsible for the case. The proposed settlement obtains for the Class a process for obtaining money to repair or replace damaged TrimBoard without the attendant delays, risks, and expenses of a trial, appeal and efforts to recover on the judgment.

6. How do I know if I am a member of the Class?

You are a Class Member if you own or owned a home or other building in one of the Subject Counties on which TrimBoard is or was installed. The class includes property owners who have replaced their TrimBoard.

Because the Settlement creates a Claims Program that will continue for a defined Claim Period, the settlement class includes any Person who fell within the above definition between September 20, 1997 and the end of the applicable Claim Period.

7. How Do I Identify the TrimBoard Product?

TrimBoard is a composite made of wood fibers and glues combined under heat and pressure. TrimBoard has a paper surface on the front and back. One side is smooth and the other side is embossed with a grain pattern so that it looks like cedar. The TrimBoard may be installed with either the smooth side or the textured side out. If you do not know whether you have TrimBoard on your home, you may want to ask the person who installed your siding or trim or contact Class Counsel.

THE PROPOSED SETTLEMENT

8. What does the proposed Settlement provide?

This notice summarizes the key terms of the proposed settlement. You may obtain a full copy of the Settlement Agreement as explained below. Class Counsel believe that this proposed settlement is fair, adequate, reasonable, and in the best interest of the class. The Court has preliminarily approved the proposed settlement.

Defendants will provide a claims process which will compensate Class Members for damaged TrimBoard that is still on the structure. Additionally, any Class Member who replaced their TrimBoard between December 1, 2001 and December 17, 2010 without knowledge of the Settlement can submit a claim for the costs of replacing Damaged TrimBoard as long as they can show it was damaged when they replaced it. Anyone who owns a home on which TrimBoard was installed after September 20, 1997 will have at least 12 months to submit a claim after the Settlement becomes final. After that 12 months,

{01952104.3}

If you have questions about this notice, please visit: www.lptrimboardsouthcarolina.com or www.nexsenpruet.com or www.lukey-law.com, or write to Class Counsel at the address contained in this notice.

however, Class Members can only make a claim within 12 years of the date on which their TrimBoard was installed.

All claims must be submitted to the Claims Adjuster on a Claim Form. When a Claim Form is complete, Defendants will arrange to have the TrimBoard inspected on the home. Defendants will pay for any TrimBoard that meets the definition of Damage in the Settlement at the rate of \$13 per linear foot. If not all of the TrimBoard is paid for after an inspection, Class Members can make up to 4 subsequent claims during the claim period, as long as they wait 12 months between claims.

After the inspection, Defendants will send a Claim Report and check to Class Counsel for any amount due under the Settlement. To compensate them for their work on the case, Class Counsel will take a portion of the repair payment, and they will send a check for the remaining money to the Class Member.

If there is any disagreement about how much a Class Member should be paid under the Settlement, the Court will decide who is right.

9. What Other Things Are Paid For By The Settlement?

Defendants will pay the cost of notifying the Class Members of the Settlement, and Defendants will pay their cost of running the Claim Program. Plaintiffs have requested that the Court approve a stipend of \$5,000 which will be paid to each of the three named class representatives.

10. Am I giving anything up in the Settlement?

If the proposed settlement is approved, the Class Members will release all claims against Defendants relating to the TrimBoard, except personal injury claims. That means you will not be able to pursue any lawsuit against Defendants for the repair or replacement of your TrimBoard.

11. What happens if the Court does not approve the proposed Settlement?

If the proposed Settlement is not approved at the Hearing, then the proposed Settlement will be terminated and you will not be able to make a claim for money under the Settlement. All Class Members and Parties will be restored to the position they were in before the Settlement.

THE LAWYERS REPRESENTING YOU

12. Do I have a lawyer in this case?

Class Counsel represent the Class in this litigation. Contact information for Class Counsel is provided in Paragraph 17, below.

13. How will the lawyers be paid?

At the hearing described below, Class Counsel will request final authorization from the Court to take an attorneys' fees of not more than 1/3 (one third) of each payment to a Class Member who successfully makes a Claim under the Settlement. Other than this contingent fee payment, Class Members are not personally liable for any fees and costs.

To date, Class Counsel have not received any payment for their services in conducting the litigation on behalf of the class. Nor have Class Counsel been reimbursed for their costs in the litigation. The fee requested by Class Counsel would compensate them for their efforts in achieving settlement and for their risk in undertaking this representation on a contingent-fee basis.

APPROVING THE PROPOSED SETTLEMENT

14. When and where will the Court decide whether to approve the proposed Settlement and attorneys' fees?

A final approval hearing will be held at 10:00 a.m. on March 4, 2011, before the Honorable Richard M. Gergel, United States District Judge of the U.S. District Court, District of South Carolina, Charleston Division ("the Hearing"). The Hearing will take place in Courtroom III at the Hollings Judicial Law Center, 81 Meeting Street, Charleston, South Carolina 29401.

Plaintiffs and Defendants have jointly moved this Court, pursuant to Rule 23(e) of the Federal Rules of Civil Procedure, for preliminary approval of a Settlement of this class action lawsuit. The motion was presented to the Court on November 23, 2010. The Court has reviewed the papers filed in connection with the motion and considered all supporting evidence in the record and as presented by counsel.

This Preliminary Approval Order incorporates by reference the definitions in the proposed Settlement, an executed copy of which is attached as Exhibit A (referred to as the "Settlement"). All capitalized terms used in this order that are defined in the Settlement shall have the same meanings as set forth in the Settlement.

NOW, THEREFORE, the Court having read and considered the Settlement, the documents filed in connection with the motion and supporting evidence, and good cause appearing,

IT IS HEREBY ORDERED:

1. Preliminary Settlement Approval

The Settlement satisfies the Rule 23 criteria for preliminary approval:

- (a) The Settlement is sufficiently fair, adequate and reasonable to justify notice to those affected, along with an opportunity to be heard, pursuant to Federal Rule of Civil Procedure 23(e);

(b) The Settlement substantially fulfills the purposes and objectives of this Action, and provides benefits to Class Members, without the costs, risks, and delays of further litigation at the trial and appellate levels, and does not require a finding or admission of liability by Defendants;

(c) The proposed Notice Plan submitted by the Parties provides individual notice to all known Class Members and all Class Members who can be identified through reasonable efforts and constitutes the best notice practicable under the circumstances of this Action;

(d) The settlement negotiations culminating in the Settlement occurred at arm's length, there was sufficient investigation and discovery, counsel for Plaintiffs are experienced in similar litigation, and the number of actual or anticipated objections to the Settlement is small compared to the class size;

(e) The Settlement does not disclose grounds to doubt its fairness or other obvious deficiencies, such as unduly preferential treatment of class representative Plaintiffs or of segments of the class, or excessive compensation for Class Counsel, and appears to fall within the range of possible approval.

The Court therefore grants preliminary approval to the Settlement. The Settlement shall be submitted to Class Members for their consideration and for a Fairness Hearing pursuant to Rule 23(e), as provided below.

2. Settlement Class Definition

The settlement class is defined as follows (excluding the Persons who return a request for exclusion prior to the expiration of the opt-out period on February 11, 2011):

All persons, firms, corporations and other entities which own homes, apartments, condominiums, buildings and other structures in the Subject Counties of South Carolina on which Defendants' TrimBoard product is installed and any person who qualifies for Prior Unreimbursed Repairs, excluding any structure owned by any federal, state or local government, and any structure owned by Defendants or any of their subsidiaries, affiliates or employees.

The Subject Counties covered in this proposed settlement include the following counties in South Carolina: Aiken, Lexington, Richland, Kershaw, Chesterfield, Marlboro, Barnwell, Orangeburg, Calhoun, Sumter, Lee, Darlington, Dillon, Marion, Florence, Clarendon, Bamberg, Allendale, Hampton, Jasper, Beaufort, Colleton, Dorchester, Berkeley, Georgetown, Williamsburg, and Horry.

The Settlement contemplates a Claims Program that will continue for a defined Claim Period, as set forth in the Settlement.

3. Notice

The Court approves, as to form and content, the Long Form Notice (attached to the Settlement as Exhibit D) and approves it for mailing to Class Members. The Court approves, as to form and content, the Settlement Notice (attached to the Settlement as Exhibit G), and approves it for publication as set forth in the Notice Plan. The Court approves, as to form and content, the CAFA Notice to the United States Attorney General and the South Carolina Attorney General (attached to the Settlement as Exhibit H) and finds that such notice satisfies the requirements of §1715 of the Class Action Fairness Act (28 U.S.C. 1715). The Court finds that these forms of notice provide Class Members with all of the information necessary to make an informed decision regarding the fairness of the Settlement.

The Court finds that the mailing and distribution of notice substantially in the manner and form set forth in the Notice Plan (attached to the Settlement as Exhibit E) meet the requirements of Rule 23 and due process, and shall constitute due and sufficient notice to all persons entitled thereto. Such notice is the best practicable notice under the circumstances of this case, it complies with due process, and it provides sufficient notice to bind all Class Members, regardless of whether a particular Class Member receives actual notice.

The Parties shall supervise and administer the notice procedure as set forth in the Notice Plan, including the following:

(a) Once the Settlement is Preliminarily Approved by the Court, Defendants shall cause a copy of the Long Form Notice to be mailed by first class mail to all Class Members known to the Parties or who can be identified through reasonable effort;

(b) Defendants shall commence the Notice Program within 30 days of this Preliminary Approval Order;

(c) Class Counsel shall cause the Long Form Notice to be posted on their respective websites within 30 days of this Preliminary Approval Order; and

(d) Defendants shall submit a letter describing their compliance with the requirements of the Notice Plan prior to the Fairness Hearing.

4. Standing to Object

Any Party to this Action and any Class Member who has not timely requested exclusion from the Settlement Class and who opposes approval of the Settlement may appear at the Fairness Hearing to show why the Settlement should not be approved as fair, reasonable, and adequate, or why Judgment should or should not be entered thereon, or why attorney fees should or should not be awarded to Class Counsel out of the Claims made under the Settlement. Any person who wishes to object to the Settlement must file with the Court and serve upon Plaintiffs' Counsel and Defendants' Counsel a written notice of objection on or before February 18, 2011. The notice of objection must state the reasons for the objection and, if filed by a Class Member, must demonstrate the objecting Class Member's membership in the Settlement Class. Only persons who have filed and served notices of objection will be entitled to be heard at the Fairness Hearing. Any Class Member who does not make his or her objection in the manner provided shall be deemed to have waived such objection and shall forever be foreclosed from making any objection to the fairness or adequacy of the Settlement as incorporated in the Settlement and/or to any award of attorney fees to Class Counsel, unless otherwise ordered by the Court. Class Members who do not enter an appearance personally or through their own, separate attorneys will be represented by Class Counsel at the Fairness Hearing.

5. Class Representation, Class Counsel

For the purposes of the Settlement, the Court appoints and approves:

(a) As Settlement Class Representative Plaintiffs, Kevin Brunson, Eunice Caro and Clifton Spann.

(b) As Class Counsel, Paul A. Dominick of Nexsen Pruet, 205 King Street, Suite 400, Charleston, SC 29402 and Justin O. Lucey of Justin O'Toole Lucey, PA, 415 Mill Street, Mt. Pleasant, SC 29464.

6. Final Approval

A hearing (the "Fairness Hearing") shall be held before this Court on **March 4, 2011 at 10:00 a.m. in Courtroom III at the Hollings Judicial Law Center, 81 Meeting Street, Charleston, South Carolina 29401**, to determine whether: (1) the Settlement is fair, reasonable, and adequate and should receive final approval from the Court; (2) notice has been given to Class Members in accordance with this Order; (3) a Judgment as provided in the Settlement should be entered herein; and (4) the percentage that Class Counsel is authorized to take as their attorney fee from each Settlement Payment Amount awarded to a Class Member

making a Claim is fair and reasonable and should receive approval from the Court. The Court finds that this date allows adequate time for Class Members and their counsel to support, oppose, or object to the Settlement.

7. Further Matters

(a) Pending final determination whether the Settlement should be approved, all discovery and all proceedings in this Action are stayed.

(b) Class Members shall be bound by all determinations and judgments in this Action concerning the Settlement, whether favorable or unfavorable. Any Judgment entered in connection with the Settlement will include all Class Members, and all such Class Members shall be bound by all of the orders in this Action concerning the Settlement.

(c) The Court may adjourn the date of the Fairness Hearing without further notice to the Class Members, and retains jurisdiction to consider all further applications arising out of or connected with the Settlement. The Court may approve the Settlement, with such modifications as may be agreed to by the Parties, if appropriate, without further notice to the Class.

(d) Pending final determination of whether the Settlement should be approved and in aid of the Court's jurisdiction to implement and enforce the Settlement, the Plaintiffs and all Class Members are hereby enjoined from instituting or prosecuting any action against Defendants relating to the claims released by the Settlement.

8. Termination of Settlement

(a) The Court recognizes that the Settlement contains express provisions concerning termination of the Settlement. Nothing in this Order is intended to modify or negate the express terms of the Settlement.

(b) If at any time the Settlement fails, the parties shall promptly notify the Court. The Court will then decide whether to modify the schedule in order to allow the parties additional time in which to negotiate a new settlement, or set the case for trial.

(c) If the Settlement is disapproved or terminated in accordance with the terms of the Settlement, the Settlement (except those provisions that, by their terms, expressly survive disapproval or termination of the Settlement) shall have no force or effect, and all negotiations, proceedings, and statements made in connection therewith shall be without prejudice to the right of any persons, and Parties to this Action shall be restored to their

respective positions existing prior to execution of the Settlement, preserving all of their respective claims and defenses.

IT IS SO ORDERED.

Therefore, the estimated proportionate share of the claims of class members from the state of South Carolina to the entire settlement is 100%. However, it is not possible to provide the names of each class member at this time. Since the class is defined as persons, firms, corporations and other entities which own homes, apartments, condominiums, buildings and other structures in the Subject Counties of South Carolina on which Defendants’ TrimBoard product is installed and any person who qualifies for Prior Unreimbursed Repairs (as those terms are defined in the Settlement Agreement), the identity of each class member is not presently known. A list of known potential class members is enclosed as “**Exhibit E**”; however, this list is not exhaustive.
8. **28 U.S.C. §1715(b)(8) – Judicial Opinions Related to the Settlement:** There are none at this time.

Please do not hesitate to contact me if you require any additional materials or need any further information concerning this request.
