### Admissions

South Carolina

Ralph Barbier practices in the health care area. He regularly advises hospitals and physicians on projects requiring certificate of need, exemption or non-applicability determinations from the South Carolina Department of Health and Environmental Control. His scope of practice also includes advising hospital boards, administration, and medical staff leadership on physician credentialing and peer review issues, including investigations and the fair hearing process. He also focuses on state health licensing issues.

Ralph received his law degree from the University of South Carolina School of Law, where he was Research Editor of the *South Carolina Law Review*. He also received a degree in finance from the University of South Carolina.
