04.08.2020

This webinar is open to the first 110 registrants

(If you have already registered for our 2020 Employment Law Certificate Series, there is no need to sign up again. You will receive a reminder link the day before).

This complimentary 60-minute webinar will explore workplace privacy in the context of Coronavirus. The webinar will cover the following topics:

- Privacy issues surrounding an employee's diagnosis or potential diagnosis
- EEOC Guidance and the employer's rights to safeguard its workplace
- Reporting coronavirus information to the government and responding to the government's requests
- Confidential information arising in personnel files
- Participant Q&A
