Meet the dynamic duo of Jenna Godlewski and Sonal Patel, part of Nexsen Pruet's health care coding, compliance and credentialing team. Jenna and Sonal help providers across the US navigate federal reimbursement and compliance needs including coding, compliance and credentialing which are critical aspects of all medical practices. To learn more, watch their video on coding and compliance below.

If you or your practice needs assistance with federal reimbursement or compliance issues, contact Jenna Godlewski today.
