Jeanne Born is a Registered Nurse and health law attorney, and advises hospitals, long term care facilities, assisted living facilities and physicians, hospices, home health agencies and other providers on various healthcare, governance and strategic issues on a daily basis. She practices in the health care group with an emphasis on hospital and long term care law, risk management, governance, health information and technology including HIPAA/HITECH, credentialing, medical staff issues including revising medical staff bylaws, peer review matters, legal compliance, administrative and regulatory issues and reimbursement. She also handles nonprofit corporate issues for health-related and other nonprofits.

Her nursing background is in general medical/surgical nursing, medical/surgical neurology, and nursing management.

Jeanne is a frequent speaker on various corporate and healthcare issues including healthcare reimbursement, telehealth, governance, general legal and health information compliance, and long term care issues. She received her J.D. degree cum laude from the University of South Carolina School of Law, where she was Research Editor of the *ABA Real Property Probate and Trust Journal*.

## Experience

### Reported decision:

Served as Amicus curiae for the South Carolina Hospital Association in *Wieters v. Bon-Secours - St. Francis Xavier Hospital*, in which the South Carolina Court of Appeals held that due to the importance of protecting confidences revealed during peer reviews, questions concerning whether information protected by the Peer Review Statute should be subject to discovery will be reviewed by appellate courts even though the issue is interlocutory in nature. View the decision [here](#).

### Representative Privacy and Data Security Experience

- Advise a broad range of health care providers and business associates about a wide variety of privacy and data security issues;
- Develop comprehensive HIPAA/HITECH compliant privacy, security and data breach policies and procedures for a broad range of health care providers and business associates and assist with the implementation of those policies and procedures;
- Advise a range of health care providers on day to day HIPAA/HITECH related questions and compliance;
- Assist clients with data breaches:
  - Advise clients from the identification of the breach, defining the scope of the breach, remediating the breach to minimize further damage from the breach;
  - Draft breach notification letters, advised, in conjunction with NP Strategy on crisis intervention/avoidance following the breach and, in conjunction with Nexsen Pruet's certified security professionals, advise about achieving compliance/managing and mitigating further security risks.
- Assist clients with responding to HIPAA complaints to the Office for Civil rights:
  - Review and advise the basis for the complaint and advise about the response;
  - Assist with communication with representatives of the Office for Civil Rights.
- Advise clients about security risk assessments and work with Nexsen Pruet's certified security professionals in completing HIPAA/HITECH compliant risk assessments for clients;
- Advise clients on mobile device/application legal compliance issues;
- Advise hospital and physician clients on technology issues with Meaningful Use compliance;
- Advise a broad variety of health care clients on technology and compliance issues with telemedicine.

### Representative Reimbursement Experience

- Advise about addressing claims issues including denials.
- Advise about filing appeals of denied claims.
- Provide support for healthcare reimbursement appeals including cost report and disproportionate share disputes.

- Advise about private insurance disputes.
- Advise about reimbursement policy/procedure development.
- Advise about and assist with filing reopening requests.

## Representative Nonprofit and Exempt Organization Experience

- Advise about formation of and form nonprofit corporations with and without members
- Draft tailored Articles of Incorporation and Bylaws;
- Draft form of minutes to complete the incorporation process;
- Assist with obtaining registration under the Solicitation of Charitable Funds Act;  
Assist with obtaining 501(c)(3) tax exempt status;
- Advise clients about maintaining tax exempt status;  
Advise about conflicts of interest;
- Advise nonprofit board members about governance issues;
- Advise about nonprofit liability issues and ways to protect the corporation;
- Advise about indemnification of directors and officers;
- Advise about risk management issues;
- Complete corporate "clean up";  
Revise Bylaws for Nonprofit Corporation Act compliance;
- Dissolve nonprofit corporations;
- Merge nonprofit corporations with other nonprofit corporations;
- Merge nonprofit corporations with for profit corporations;
