Across the Carolinas, the food and beverage industry is growing, and the hospitality and tourism sectors are benefitting from that growth, too. Join Nexsen Pruet for an industry update highlighting trends, challenges, and recent successes.

Session 3 | South Carolina's COVID-19 Liability Immunity Act

For Session 3, Nexsen Pruet will host a panel to discuss South Carolina's COVID-19 Liability Immunity Act, passed by the state legislature this year. Hear more about the legislation – what it is, how it's meant to protect employers, and what it means for hospitality and tourism entities.
