Nexsen Pruet's **Jennie Cluverius**, Board Member and Greenville Office Managing Partner, was recently named one of the "25 Most Beautiful Women in the Upstate for 2019" by *TALK Greenville Magazine*.

According to the magazine, "The Upstate has no shortage of beautiful people. It is seen in the arts, philanthropy, the countless hours spent volunteering and the welcome diversity of residents and ideas. These women look different, have varying beliefs and vocations and different roles in their personal and professional lives. But each brings a piece to the beautiful mosaic of life in Greenville. They inspire us all to do better and live for others in ways that make our community richer indeed."

"Life can't always be loving, fair and dependable. But here are 25 women who are."

25 Most Beautiful 2019: Meet Jennie Cluverius

Article Excerpt: "Jennie Cluverius is breaking the mold for her job – and that's a very good thing.

As Managing Partner for Nexsen Pruet's Greenville Office, she combines leadership and family life without sacrificing who she is. After all, her perfect day involves playing vintage video games in yoga pants, while eating SubStation II and listening to TuPac.

'The biggest compliment that I have ever received came when my law partners voted me onto the five-person board at our firm while my son was an infant and still nursing,' she says. 'This conveyed their confidence in my ability to simultaneously be a lawyer, leader and a mother, as well as their commitment to support me while doing so.'

Keeping a high dose of silliness around ensures that the only things in life that she takes seriously are the things that really matter. Beauty, she says, has many facets. In people, she sees it in their displays of kindness.

'But also their shoes,' Cluverius says."
