

Hilton Head/Bluffton, SC

t. 843.689.6277

Hilton Head is known for its luxurious getaway appeal, with over twelve miles of semi-tropical beachfront situated on the tip of South Carolina. Vacationers from around the world come for the low country salt marches, the rustic lighthouse, and welcoming locals. Named the best island in America, it's no surprise the region's booming tourism industry has created a constant flow of economic boosts to the beach front city. In the past year alone, several award winning marquees and resorts have helped attract nearly 3 million visitors to Hilton Head.

Established in 2000, the firm's Hilton Head office has been proudly serving the island and its businesses for two decades. Our resort development attorneys have notably assisted several of the marquee plantations on the Island and surrounding areas, and are always prepared to support the community's growth.

The next time you find yourself strolling on Hilton Head's beaches, drop in and say hello.
