COVID-19 has impacted every aspect of daily life - and while the U.S. State Department previously issued a blanket Travel Advisory Level of "Do Not Travel," it recently relaxed the advisory for Americans to travel to many countries. Listen to David Garrett, Nexsen Pruet international and immigration attorney, discuss best practices for traveling internationally amid restrictions and the pandemic below.

If you or your business have questions regarding travel or other international and immigration matters, contact David Garrett at DGarrett@nexsenpruet.com today.
