

NP ClientSight Portal

Professionals

Marcia L. Burris

As an extension of Nexsen Pruet's commitment to partner with our valued clients, we offer customized collaboration portals to support a range of litigation, transaction, and general business needs.

Portals Designed to Meet Client Needs

- Client access to work product and online collaboration
- Secure upload for litigation files
- Private data rooms for transactions
- Customized dashboards for portfolio engagements

NP Client Portals leverage market-leading technology to provide secure cloud based collaboration sites, enabling greater efficiency for legal teams. Sites feature advanced security, with banking-grade encryption and ISO 270001.
